Condolences

It is with great regret that I inform you of the unfortunate passing of Brother Reginald J. Byrom. Our sincere condolences go out to his family and friends.

Business Manager's Report

Greetings Brothers and Sisters,

Local 401 continues to be fairly busy across our jurisdiction at this time. We are going to see some work complete over the next month and not a staggering amount of calls coming for the first part of summer. There are some calls coming from Darlington in the next month, however I know that not everyone is looking to specifically go there.

Quinte St. Lawrence Building trades met with Worley Friday May 26th and had a very good discussion about how much work the project will have. It seems clear that Union building trades are the first choice for the labour there. Civil contractors have been selected to bid since that meeting and will be tendering the beginning stages soon. I visited the site this week and the answer I got about when we would be there was as early as August and as late as September. The underground work will see a few members starting at that time. I posted a time lapse video of the same plant being built in Europe on our unofficial member Facebook page. It's a much bigger one being built here in Local 401.

Monthly Membership Meetings will be starting at 7 pm effective JUNE.

Please spread the word. It was very unanimous at both the last two membership meetings. We'll try it out immediately, and if members wish to switch back at some point, we will.

Our web site (www.ualocal401.ca) is up and has a lot of traffic so far, members are reporting back to me that they are able to get their documents easily enough. Please if you have not checked it out yet have a look. There will be more progress in the next year on what else this membership tool can do for you as a member.

Fraternally,
John Graham

Assistant Business Manager's Report

Brothers and Sisters,

I would like to thank everyone that participated in the UA 67 Hamilton Hockey Tournament. We had an amazing turn out with the most participation from our Local that has ever taken part in the tournament. Both teams made the semifinal on Sunday unfortunately neither team made it to the finals.

Work in the EPSCA sector is staying steady for the next couple of months with hiring expected in the Fall for both Darlington and Napanee. I'm expecting the hiring to start in the commercial and institution sectors at the end of June into the beginning of July. We expect hiring for school renovations to start at the end of the month and new and existing projects that were previously awarded, will also start to need members soon.

Fraternally,

Ray Drinkwalter
